

Architect (m/f/x)

Berlin - Germany

We are currently looking for architects (m/f/x) for our office in Berlin.

You can expect the following

- Design planning and final planning in work phases 2-5
- Creation of digital building plans as a self-sufficient area of responsibility
- Specialist planning coordination and integration
- Collaboration in the refinement of HENN's BIM planning
- Open and collegial atmosphere in an international team

You bring along

- A successfully completed degree in architecture
- Minimum three years' experience in planning international projects
- Proficiency in BIM methods, as well as with Autodesk Revit and Adobe CS
- Inquisitiveness about digital, sustainable planning processes
- Good command of German and English

We offer

- Great project variety, a wide range of project typologies and a large design scope
- Personal development perspectives: HENN Academy (events recognised by the architectural associations as further training), language courses, architectural association advanced training and education
- Attractive salary and 30 days holiday p.a.
- Office in the heart of Berlin with excellent public transport connections
- International and interdisciplinary working environment
