

Design architect (m/f/x)

Beijing - People's Republic of China

For a number of competitions and ongoing exciting projects we are looking for talented and motivated colleagues (f/m/x) for our design studio in the Beijing office.

You can expect the following

- Designing and planning projects of different scales
- Participation in high profile national and international projects, in collaboration with colleges in Berlin/Munich
- Communication with clients and consultants
- Preparing presentations

You bring along

- Master degree in Architecture
- Strong conceptual design and design development skills
- Excellent skills with presentation and graphic software (Adobe InDesign, Photoshop, and Illustrator)
- Excellent skills in 3D modelling with Rhino (scripting knowledge is a plus) and Revit
- Excellent communication skills in English

We offer

- Great project variety, a wide range of project typologies and a large design scope
- Full coverage on all required insurances in China, including health insurance and housing fund
- Travel allowance
- Training and development opportunities
- International and interdisciplinary working environment
