

MUNICH

Working Student (m/f/x) Project Controlling

Overview

Are you looking for practical experience in interesting and exciting projects? You want an environment in which you can contribute your personality? You want to be part of a strong and continuously growing team? Then become part of our commercial project management and support us in the variety of exciting tasks! Become a permanent team member after graduation!

We attach great importance to open communication and cooperation. The HENN Academy offers room for professional and personal development and exchange within the team. We value your individual contribution and offer you opportunities for further development and growth.

You can expect the following

- Determination and preparation of the costs incurred in architectural projects
- Economic efficiency calculations for the individual project stages
- Preparation of data for the preparation of offers
- Assisting in the preparation of fee calculations in accordance with HOAI
- Cooperation with the project teams, controlling and accounting

You bring along

- Ongoing studies in the fields of business administration / civil engineering / industrial engineering or a comparable field of study
- Interest in the topics Controlling/ Cost and performance accounting
- Ideally basic knowledge of an ERP system (e.g. MS Dynamics NAV or SAP) and confident handling of MS Office (especially MS Excel)
- Structured, careful and independent way of working
- Very good German and good English skills

We offer

- Attractive and diverse, well-known (large-scale) projects and a large design scope
- Support for personal and professional development: HENN Academy, language courses, individual seminar and certification programs in collaboration with cooperation partners
- High quality and clear processes using state-of-the-art tools and future-orientated working methods
- Attractive remuneration
- Modern Office in the heart of Munich (Maxvorstadt) with excellent public transport connection
- International and interdisciplinary working environment
- Joint events (multi-day office trip and Christmas party) and team activities (company run, soccer tournament, pretzel monday, after-work get-together)
