

BERLIN

Consultant (m/f/x) Building Certification Sustainability

Overview

Are you looking forward to interesting and challenging tasks within a design-oriented and innovative environment that also offers you the stability and structure of a successfully grown company? Are you looking for an opportunity to contribute your creativity and personality? Then you'll be a great fit for us!

Our strong community and longstanding success are based on an appreciative, open, family-like atmosphere and the knowledge and commitment of our employees. The use of state-of-the-art technologies and our expertise across all service phases according to HOAI enable us to develop high-quality solutions and concepts.

Become part of our team as a Sustainability Specialists (m/f/x) and apply now!

You can expect the following

The lead processing of certification services for new construction and refurbishment according to DGNB and/or LEED:

- Accompanying all project phases as well as advising project participants on the implementation of sustainability goals, especially in the areas of life cycle costs, life cycle assessment, and materials selection
- Coordination of all parties involved in the certification and integration of their services
- Carrying out pre-assessments
- Participation in the preparation of tender documents
- Evaluating the cost and schedule impacts of the measures required for certification
- Preparation of evidence and communication with the auditing body
- Participation in the preparation of offers for certification services
- Preparation of documents for the commissioning of external experts

In addition, the following tasks round off the profile:

- Deepening the sustainability competence in the HENN office
- Preparation of sustainability concepts for starting projects
- Sustainability evaluation of ongoing and completed projects

You bring along

- Degree in architecture or civil engineering
- Several years of professional experience, ideally in the above-mentioned areas of focus
- Very good knowledge of German and English
- Independent working style and ability to work in a team
- DGNB Consultant (m/f/x) / DGNB Auditor (m/f/x) / LEED AP

We offer

- Attractive and diverse, well-known (large-scale) projects and a large design scope
- Support for personal and professional development: HENN Academy including recognition by the chambers of architects, language courses, individual seminar and certification programmes in collaboration with cooperation partners
- Attractive remuneration and 30 days vacation p.a. plus special leave
- Flexible and family-friendly working time models
- Office in the heart of Berlin (Alexanderplatz) with excellent public transport connections
- International and interdisciplinary working environment
- Joint events (multi-day office trip and Christmas party) and team activities (company run, soccer tournament, pretzel monday, after-work get-together)
