

Student Trainee (m/f/x) Revit München - Germany

We are currently looking for a student trainee (m/f/x) in Revit for our Team Design Systems in Munich.

You can expect the following

- Setting up and maintenance of Revit families
- Further refinement of HENN templates and libraries
- User support in Autodesk Revit
- Participation in the realisation of parametric design and database links
- Open and collegial atmosphere in an international team

You bring along

- Registered student in a course of studies in architecture or civil engineering
- A very good command of Autodesk Revit (model-based 3D design work)
- A wide knowledge of CAD software (above all Vectorworks, Rhino)
- Experience with graphic scripting (Grasshopper, Dynamo) is an advantage
- Motivation, creativity and an ability to deliver

We offer

- Great project variety, a wide range of project typologies and a large design scope
- Opportunities for personal and professional advancement
- Attractive salary
- Office in the heart of Munich with excellent public transport connections
- International and interdisciplinary working environment

Your contact at HENN
