

BIM Coordinator (m/f/x)

Berlin - Germany

As an interdisciplinary architectural office we employ over 350 members of staff from almost 40 countries. Our offices in Munich, Berlin and Peking are constantly expanding. Enhance our team and work together with us on exciting projects in the fields of work environment and culture, teaching and research, as well as production and master planning!

We are currently looking to boost our team in Berlin with the addition of a BIM coordinator (m/f/x).

You can expect the following

- BIM coordination in large-scale projects
- Giving guidance to the project-specific BIM Team
- Directing internal and external coordination meetings
- Data exchange between building planning, specialist planning and contractor
- Coordinating model-based collaborations (BIM planning) within projects
- Safeguarding internal quality standards for data models
- Refining internal BIM standards as well as Revit templates and families

You bring along

- A degree in architecture or civil engineering
- In-depth experience with the application of BIM projects
- Practice with project processes in the field of model-based work
- Excellent proficiency with Autodesk Revit and tools used for model-coordination (e.g. bimCollab Zoom, Solibri Model Checker)
- Proficiency with data management of digital model-based roombooks (e.g. dRofus)
- Experience with scripting (e.g. in Grasshopper, Dynamo)
- Excellent communication skills and team play
- Good command of German and English

We offer

- Working in a future-oriented field as part of an innovation-driven team
- Great project variety, a wide range of project typologies and a large design scope
- Personal development perspectives: HENN Academy (events recognised by the architectural associations as further training), language courses, architectural association advanced training and education
- Attractive salary and 30 days holiday p.a.
- Office in the heart of Berlin with excellent public transport connections
- International and interdisciplinary working environment
