

Construction Technician (m/f/x) for Construction Invoicing

Braunschweig - Germany

As an interdisciplinary architectural office we employ over 350 members of staff from almost 40 countries. Our offices in Munich, Berlin and Peking are constantly expanding. Enhance our team and work together with us on exciting projects in the fields of work environment and culture, teaching and research, as well as production and master planning!

We are currently looking for a construction technician (m/f/x) for our project "Städtisches Klinikum Braunschweig", starting immediately.

You can expect the following

- Measurement control of the construction work
- Auditing
- Billing/supplementary auditing and negotiations
- Cooperation with the project management

You bring along

- Vocational qualifications as a construction technician or sufficient professional experience in construction accounting
- Good knowledge of Microsoft Office and AVA
- Implementation strength
- Motivation and flexibility
- Pleasure in demanding projects

We offer

- Great project variety, a wide range of project typologies, and a large design scope
- Personal development perspectives: HENN Academy (events recognised by the architectural associations as further training), language courses, architectural association advanced training and education
- Attractive salary and 30 days holiday p.a.
- International and interdisciplinary working environment
