

MUNICH

Interior Designer / Architect (m/f/x)

Overview

Are you looking forward to interesting and challenging tasks within a design-oriented and innovative environment that also offers you the stability and structure of a successfully grown company? Are you looking for an opportunity to contribute your creativity and personality? Then you'll be a great fit for us!

Our strong community and longstanding success are based on an appreciative, open, family-like atmosphere and the knowledge and commitment of our employees.

The use of state-of-the-art technologies and our expertise across all service phases according to HOAI allow us to develop high-quality solutions and concepts.

Become part of our team as an Interior Designer / Architect (m/f/x) and apply now!

You can expect the following

- Development of demand-oriented interior design concepts
- Supporting customers from planning to implementation
- Preparation, conception and implementation of workshops and presentations for customers
- Development and implementation of modern workplace strategies
- Implementation of future-oriented design strategies and material planning with a focus on meaningful interior design
- Interdisciplinary collaboration with various departments
- Integration of the latest technologies and innovations into spatial concepts

You bring along

- Successfully completed studies in (interior) architecture
- Holistic understanding of the architectural process, especially in the areas of concept development, planning and construction
- Comprehensive work experience in service phase 5 according to HOAI, especially in the field of interior design / interior architecture
- Ability to implement designs in 2D, 3D, visualizations and graphics using Revit, Rhino, Enscape, AutoCAD and / or Vectorworks programs
- Strong conceptual skills, high creative and design standards
- Independent and solution-oriented way of working with high quality awareness
- Very good German and good English skills

We offer

- Attractive and diverse, well-known (large-scale) projects and plenty of creative freedom
- Support for personal and professional development: HENN Academy (recognized by the Chambers of Architects), language courses, individual seminar and certification programs in cooperation with partners
- High quality and clear processes using state-of-the-art tools and future-oriented working methods such as the implementation of Revit as an office-wide BIM solution
- Attractive remuneration and 30 days vacation p.a. plus special leave for anniversaries and special occasions
- Flexible and family-friendly working time models
- Modern office in the heart of Munich (Maxvorstadt) with excellent public transport connections
- International and interdisciplinary working environment
- Joint events (multi-day office trip and Christmas party) and team activities (company run, soccer tournament, pretzel monday, after-work get-together)
