

Intern (m/f/x) Design Studio

Beijing - People's Republic of China

For our Beijing office we are looking for an intern (m/f/x) to support our team for a minimum of six months (with monthly intern compensation).

You can expect the following

- Taking part in the designing and planning of projects of different scales
- Participation in high profile international architecture competitions
- Preparing presentations
- Coordination of building systems, building codes and regulatory requirements

You bring along

- Three years of full-time enrollment in an accredited Architecture university program
- Advanced skills in computational design
- Proficiency in 3D and graphic software (Maya/Rhino, Adobe Suite), scripting experience is preferred
- Strong ability to work in a team
- Solid spoken and written English
- Valid working permit for China

We offer

- Great project variety, a wide range of project typologies and a large design scope
- Travel allowance
- Training and development opportunities
- International and interdisciplinary working environment
